

# Sports Premium Funding 2021-22

Thurnby Mead Primary Academy has long recognised the contribution of PE to the health and wellbeing of its children. We also acknowledge that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement.

We are committed to ensure that all pupils receive a minimum of 1.5 hours of PE per week, delivered by well trained and enthusiastic teachers. Due to the sports funding provided by the government we continue to embed a programme to continue to develop a sustainable improvement in teacher confidence and a new curriculum based on developing children's physical skills and knowledge. Regular staff training opportunities are being provided for teachers and TAs to keep them abreast of new initiatives.

We run a Sports Week every year including competitive races for Foundation Stage, KS1 and KS2.

External specialist providers and TAs provide a wide range of after school sports clubs and attendance at tournaments and competitions, both for team and individual sports.

## **What is the Sports Premium?**

The government is providing funding for the academic years 2021-22 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. We will receive £17,920 and we also have a carry forward of £10,000. The money can **only** be spent on sport and PE provision in schools

## **Uses of the funding include:**

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
  - New or additional sport clubs
  - Paying for professional development opportunities in PE/sport
  - Providing cover to release primary teachers for professional development in PE/sport
  - Running sport competitions, or increasing participation in the school games
  - Buying quality assured professional development modules or material for PE/sport
  - Providing places for pupils on after school sport clubs and residential visits
- Paying for an extensive PE Assessment package

PE and Sports Grant 2021-22

Professional development	Action	Outcome
Sports coach employed	Staff observe and work alongside the sports coach	Staff are confident to use a range of teaching styles to provide high quality lessons.
Provide cover to release staff for CPD.	PE lead attends network groups and external CPD.	PE lead supports whole school development and works alongside teachers to deliver the best outcomes.

Purchasing equipment	Replace equipment/New equipment for lessons and clubs	
Increase physical activity	Support playground leaders	More playground games activities at lunchtimes.

## **EVALUATION OF IMPACT/LEARNING TO DATE**

The Academy is expecting to see improvement against the following key indicators:

1. The engagement of all pupils in regular physical activity - kick starting healthy lifestyles,
2. The profile of PE and sport being raised across the school as a tool for whole school improvement,
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport,
4. Broader experience of a range of sports and activities offered to all pupils,
5. Increased participation in competitive sport.

### **Professional Development**

Staff have developed through regular CPD and are more confident in their delivery of PE lessons. This is supported through Lesson observations.

### **Competition and Elite**

The academy is in the Leicester City schools football league and will take part in the Area Sports in the summer term. Pupils have also taken part in cross country, table tennis tournaments, cycling competition, hockey and netball competitions both with City schools and within TMET.

### **Participation and Access**

PE and Sports activities are tailored to pupil needs and abilities.

### **Improving Activity and Fitness**

A termly report highlights how pupils' fitness is improving through the Fit4Schools programme.

We have a range of lunch time and after school sports and fitness clubs.

### **Swimming Competency**

Swimming is an important skill and can encourage a healthy and active lifestyle. All schools must provide swimming instruction either in key stage 1 or key stage 2. The programme of

study for PE sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.
