Volunteering In Schools Policy 2021

Believe, Achieve, Celebrate

M. Miles

September 2021

The academy's Volunteer policy is part of the school's safeguarding systems. It must be read in conjunction with our Child Protection policy, Health and Safety and our Safeguarding policy. Other policies (such as our E safety policy may apply depending on the nature of the volunteering)

Introduction

Volunteers at our academy bring with them a range of skills and experience that can enhance the learning opportunities of children at our school. We welcome and encourage volunteers from the local community.

Our volunteers include:

- Members of the Governing body
- Parents of pupils
- Ex-pupils
- Students on work experience
- University students referred to us by Student Volunteer Services
- Local residents
- Friends of the school.

The types of activities that volunteers are engaged include:

- Hearing children read
- Working with small groups of children
- Working alongside individual children
- Accompanying school visits
- Sharing their skills/knowledge by talking to the class

Becoming a Volunteer

Anyone wishing to become a volunteer, either for a one off event or on a more regular basis, e.g. hearing children read, should contact the Principal or Vice Principal. School visits will be dealt with directly through the Office.

Volunteers should complete the *Volunteer Information Sheet* (Appendix 1) with their contact details, type of activities they would like to help with, and the times they are available to help.

Before starting to help in school, volunteers should complete the *Volunteer Agreement* (Appendix 1), which sets out the school's expectations of volunteers and asks volunteers to confirm they have received a copy of this policy.

Thurnby Mead Primary Academy

The academy will seek DBS clearance for any regular volunteers before they come into school to protect the staff and children.

Our School Aims

All adults who work in our academy, whether a paid member of staff, or a volunteer are expected to work and behave in such a way as to actively promote our school aims and educational purpose as identified below:

- Nourish the diverse talents of our children, widen their horizons, develop their appetite for learning enabling them to live life to the full
- Bring to an individual the feeling that they can cope with their environment with a sense of confidence in themselves as a significant, competent person
- Encourage children to feel capable of handling situations which challenge their intellectual, personal, spiritual and moral values, showing tolerance of others, ultimately to be equipped with adult life and work in a fast changing society.

Our educational purpose is:

- To teach the national curriculum in a manner which excites the interest and commitment of the children and meets their present and future needs
- To develop attitudes, skills and knowledge which will be relevant to our learners as they prepare to meet the widening expectations of a changing society. We regard personal development as a life long learning process.
- To value all children equally whatever their stage of development and offer experiences which give them the maximum sense of success
- To afford all children equality of opportunity and not be discriminated against on the grounds of class, colour, gender, religion or disability
- To provide a partnership between schools, parents and the wider community each having contributions to make to the development of the other.

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that volunteers have about the children they work with/come into contact with should be voiced with the Designated Safeguarding Leads who are the Principal Michelle Woodhouse, Vice Principal Melanie Miles or the Learning Mentor Steph Taylor. It must NOT be voiced with the parents of the child or persons outside school. If it is a comment which a child makes which gives rise to concerns then the Principal or the Vice Principal should be informed directly.

Thurnby Mead Primary Academy

Comments regarding children's behaviour or learning can be highly sensitive, and if taken out of context, can cause distress to the parents of a child if they hear about such issues through a third party rather than directly from the school. Volunteers who are concerned about anything another adult in the school does or says should raise the matter with the Principal or Vice Principal.

Supervision

All volunteers in class work under the supervision of the Class teacher of the class to which they are assigned. Teachers retain responsibility for children at all times, including the children's behaviour and the activity they are undertaking.

Volunteers should have clear guidance from the teacher as to how an activity is carried out/what the expected outcome of an activity is. Volunteers are encouraged to seek further advice/guidance from the teacher in the event of any query/problem regarding children's understanding of a task or behaviour.

Health and Safety

The school has a Health and Safety Policy and this is made available on request to volunteers working in the school. Class teachers ensure that volunteers are clear about emergency procedures (e.g. fire alarm evacuation) and about any safety aspects associated with a particular task (e.g. using equipment/accompanying children on visits). Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the Class teacher/Principal.

Child Protection

The welfare of our children is paramount. To ensure the safety of our children, we adopt the following procedures:

- All volunteers are given a copy of this Volunteer Policy and asked to sign a *Volunteer Agreement* (Appendix 2)
- They will also be made aware of our Child Protection and Safeguarding policies
- They will be made aware of our Designated Safeguarding members of staff – Michelle Woodhouse, Melanie Miles and Steph Taylor
- To ensure the safety of our pupils at all times, all of our volunteers must have DBS clearance. Where a volunteer is engaged in a 'one off' activity eg. sharing their skills/ knowledge by talking to the class, no formal checks are carried out on these volunteers. These volunteers will be under constant supervision of school staff and at no point unsupervised or alone with children.

Complaints Procedure

Any complaints made about a volunteer will be referred to the Principal for investigation. Any complaints made by a volunteer will be referred to the Principal/Vice Principal.

The Principal reserves the right to take the following action:

- To speak with a volunteer about a breach of the Volunteer Agreement and seek reassurance that this will not happen again;
- Offer an alternative placement for a volunteer, eg: helping with another activity or in another class;
- Inform the volunteer that the school no longer wishes to use them
- The full Complaints Procedure is available from the Principal

Monitoring and Review

This policy will be reviewed by the governing body every two years, or earlier if considered necessary.
