Procedures in the event of a child going missing

- A thorough check of all exits to be made to make sure all gates/doors were locked/bolted and there are no other ways a pupil could have left the Academy.

If something is discovered, it needs to be drawn to the attention of the staff immediately.

- If the child has not been found by the time the register check is completed the SLT member will notify the Principal or next most senior member of staff.

- The safety and care of other pupils is paramount so the security of the Academy and the number of staff remaining to supervise the other pupils in the Academy must be adequately maintained while the search continues.
- At the same time the CCTV will be reviewed.
- If the child has not been found after 10 minutes from the initial report of them as missing, then parents should be notified. The Principal or next most senior member of staff on site will decide at which point the police need to be contacted. When contacting parents or carers please ask them to bring with them a recent photograph of their child.
- Staff must try to remember and write down a description of what the child was wearing and any distinguishing features.
- If the missing child has any special medical or learning needs, then these need to be noted to be disclosed to police or other agencies.

In the event of a member of staff fearing that a child has gone missing while off the Academy premises:
